ASSIGNMENT

WHEREAS, we, John C. Montagna, a citizen of the United States of America and resident of Michigan, whose post office address is 3738 Woodland Dr., Metamora, Michigan 48455, Gary J. Nehring, a citizen of the United States of America and resident of Michigan, whose post office address is 8059 Haviland Beach Drive, Linden, Michigan 48451 and Donald J. LaBelle, a citizen of the United States of America and resident of Michigan, whose post office address is 20846 Corey Drive, Macomb Township, Michigan 48044, have invented certain new and useful improvements in a "BED LINER HAVING ENHANCED FRICTIONAL CHARACTERISTICS" for which application for Letters Patent of the United States has been filed with the United States Patent and Trademark Office on February 6, 2004 and assigned Serial No. 10/773,711; and

WHEREAS, Durakon Industries, Inc., a corporation of the State of Michigan, having its principal place of business at 2101 North Lapeer Road, Lapeer, Michigan 48446, is desirous of acquiring the entire interest in and to said invention and any Letters Patent to issue therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid

by said Durakon Industries, Inc., the receipt of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto said Durakon Industries, Inc., its successors and assigns, the full and exclusive right, title and interest in and to said application and invention in the United States and all countries foreign thereto, including the right of priority under the International Convention of 1883 and later modifications thereof, and to any Letters Patent to issue therefor, and we hereby request the Commissioner of Patents and Trademarks of the United States of America to issue to the said Durakon Industries, Inc. any Letters Patent thereon, in accordance with the terms of this Assignment, and

We hereby agree to execute all instruments and documents which may be necessary for the carrying out of this Assignment in full; and to execute any divisional application or applications which may be necessary or proper to obtain full protection on the invention hereby assigned; and to execute any and all supplemental oaths and preliminary statements should the same be proper and necessary in the prosecution of the aforesaid application or divisional applications thereof, or for securing foreign patents covering said invention in the name of said Durakon Industries, Inc., or any other corporation designated by it, and also any documents required

by it, its successors or assigns, more fully to vest in it or them the title to said invention and to any application or patent that may be filed therefor or secured thereon.
